Dear Ms. Davis:

I am writing to amend the Year End 2012 FEC report of the Friends of Dick Durbin Committee.

I have found a number of contributors with duplicate records that led to incorrect aggregate totals. They are:

Phyllis Kay Whitlock contributed \$25 on 10/5/12 and \$10 on 11/9/12 online. This created a duplicate record which was unitemized on the Year End Report. Combining her records brings her previous contributions of \$1135 into the report for a new aggregate total of \$1170.

Arthur Berman contributed \$25 online on October 5, 2012 which created a duplicate record and an unitemized contribution. Combining his records brought his new aggregate total to \$525.

Clayton Daughenbaugh contributed an online contribution of \$100 on October 26, 2012 which created a duplicate unitemized contributed. Combining his records brought his previous unitemized contributions into his new aggregate total of \$275.

Sheila Smith made an online \$50 contribution on 10/19/2012 which created a duplicate unitemized record. Combining her records brought her new aggregate total to \$2550.

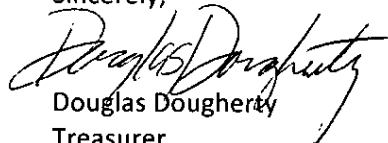

Nina Grey's online contributions in October of 2012 created a duplicate record with unitemized contributions. Her combined records brought her aggregate total to \$390.

Judith Neisser made an online contribution of \$166.66 which created a duplicate record with an unitemized contribution. Her combined records show the new aggregate total of \$4166.66.

James Johnston, Pamela Tichy, Robert Thomas, and Jill Deutsch made additional contributions during this period and their totals were corrected and noted in my letter concerning the October Quarterly Report amendment. I am working with our software company to do regular scans of the database to correct this continuing problem with online contributions.

Thank you for your attention to this matter.

Sincerely,

Douglas Dougherty
